Pharmacy Foundation Assessment Questions 1

Editors Sonia Kauser, Nadia Bukhari

Following on from the popular Pharmacy Registration Assessment Questions series, Pharmacy Foundation Assessment Questions features over 400 revision questions along with guidance about how to prepare for and approach taking the GPhC Registration Assessment exams.

The questions and guidance are fully aligned to the latest guidance regarding the assessment process from the GPhC.

Questions are based on latest editions of both the BNF and BNFC, alongside the most current treatment guidelines available at the time of writing. This book also includes questions featuring prescriptions, patient information and pictures of conditions, replicating the type of questions you may encounter in the real exam.

This revision aid gives pharmacy students the opportunity to practice a variety of question styles ahead of the assessment including:

- single best answer questions
- extended matching questions
- calculations

Written by a team of experienced authors who all work with foundation trainee pharmacists every day and including questions that are practical and will truly challenge students. This book is the handy guide to help students prepare for their exams.

Nadia Bukhari is Associate Professor in Pharmacy Practice at the UCL School of Pharmacy.

Sonia Kauser is a Primary Care Pharmacist and Lecturer in Pharmacy Practice at the University of Manchester.
